

Keeping Up With Torrance High

Principal A. G. Waidelich gave a talk to the P. T. A. on "Three C's" which are Character, Culture and Citizenship.

The sponsors and representatives of the six clubs which are working together to put on an assembly program to raise money for pictures for the annual, had a meeting last week to discuss what each club is to do.

The A seniors' announcements and cards have been printed and are ready to be used.

The members of the Key Club spent their last meeting discussing plans for the midyear banquet which is to be held on February 3.

The deepest sympathy of the students is extended to Miss Bernice Summerville and Misses Marguerite and Eva Jones, teachers of Torrance high.

Mr. Wright, a teacher at T. H. S., has been out of school because of illness.

Bill Parkes was renominated as president of the student body. But Bill sent a letter to Mr. Waidelich declining the nomination because Bill felt that it wouldn't be right to deprive some other boy of the chance of running for the presidency.

Last reports this semester will be given Friday, February 3. It will be the last report card the graduating seniors will receive in high school.

Varsity football and basketball letters will be awarded for this year to the boys on the teams at an end call, Friday, February 3.

Since the school cafeteria has lowered its prices and started giving plate lunches, it has been doing much more business than it formerly did.

Jimmy McLean, popular student at T. H. S., was operated on for appendicitis at the Jared Sidney Torrance Memorial hospital on January 25.

The A senior class had a group picture taken which is to be used for the senior edition of the T. N. T. in place of separate cuts of each member.

The display window in the science building, which the clothing department has charge of, looked exceptionally attractive this week.

The varsity basketball team played the alumni, Thursday, January 27, and lost by two points. The score ended 40 to 38 in favor of the alumni.

The C basketball team had to play Jordan for the championship as both teams had won five out of six games played.

The C's have done some marvelous playing this year and everyone hated to see them lose.

The Varsity Club's annual banquet is to be held in the high school cafeteria tonight, February 2.

The Girls' League last week held the election of their officers for the coming semester.

The Boys' League also held their election of officers for the following semester.

STORY 1 Continued from Page 1 THE limits upon taxation. This, it is pointed out, if passed would mean starving the schools and it would be impossible for the taxpayers, even though they had the money, and wanted to spend it upon their schools, to do so. Corporations Pay State Tax Many citizens do not know who pays the state tax and will benefit most by the proposed amendment. In the state of California, according to the constitution, all taxes paid into the state treasury come from a tax upon certain corporations, largely the following: Steam railroads, electric railways, gas and electric companies, telephone and telegraph companies, incomes of certain insurance companies and banks.
